

NNI-NUS

2nd Patch-Clamp Electrophysiology Workshop

Title

Patch-Clamp and Imaging Methods for Brain Slices

Speaker

Prof George Augustine

Ph.D

George B. Geller Professor
Duke University Medical Center
North Carolina, USA

Lecture 1

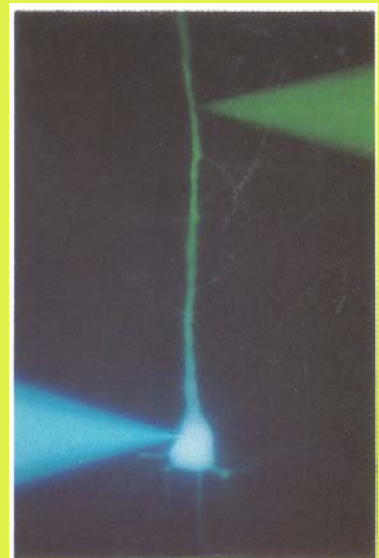

Basic Theory of Patch-Clamping

(Monday, 3 March 2003, 11:00 am to 12:30 pm)

Lecture 2

**Fluorescence Imaging combined
with Patch Clamp Method**

(Tuesday, 4 March 2003, 11:00 am to 12:30 pm)

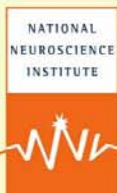

Venue

**Department of Biological Sciences
National University of Singapore
Conference Room S3 #05-02**

Admission

Free - All are welcome
