Following the success of the 1st ASEAN Workshop on Agribiotechnology in 2013, the upcoming workshop will focus on Host-pathogen Interaction.

This workshop aims to foster closer research collaborations and scientific exchanges among the life scientists within the ASEAN Universities network.

The workshop is funded by the Lee Foundation, Singapore and the DBS Structural Biology & Functional Genomics Funds.

Confirmed speakers

Malaysia
1. Kwai Lin THONG (Institute of Biological Sciences, FoS, University of Malaya)
2. Ai Lian LIM, Yvonne (Department of Parasitology, FoM, University of Malaya)
3. Aik Hong TEH (Centre for Chemical Biology, University of Science Malaysia)

NUS
1. Yu Keung MOK, Henry (DBS, NUS)
2. Jeak Ling DING (DBS, NUS)
3. Shen Quan PAN (DBS, NUS)

Thailand
1. Puey OUNJAI (Department of Biology, FoS, Mahidol University)
2. Chanan ANGSUTHANASOMBAT (Institute of Molecular Biosciences, Mahidol University)
3. Tanapat PALAGA (Department of Microbiology, FoS, Chulalongkorn University)
4. Thanyada RONGROTMONGKOL (Department of Biochemistry, FoS, Chulalongkorn University)

Vietnam
1. Nguyen Van Trang (National Institute of Hygiene and Epidemiology, Department of Immunology, Hanoi, Vietnam)
2. Nguyen Thi Kieu Anh (National Institute of Hygiene and Epidemiology, Hanoi, Vietnam)

Philippines
1. Joyce IBANA (Institute of Biology, University of Philippines, Diliman)
2. Ashok AIYAR (Louisiana State University)

Local organizing committee

Choy Leong HEW (Chair)
Yu Keung MOK, Henry

Registration not required
