

The Amdon Group is the region's leading Life Sciences and Environmental Sciences Education Practice. We specialize in hands-on method of teaching the sciences. We are expanding our operations to meet the increasing demands of the markets in Singapore and the region and we invite vibrant and energetic graduates to join our team as

EDUCATIONAL CONSULTANTS (FULL TIME/PART TIME)

You will be part of a dynamic team of professionals to implement Amdon's suite of education programmes in schools in Singapore and the region.

Our ideal candidate should:

- ✓ Be a University Graduate or Undergraduate majoring in the Life Sciences or related disciplines
- ✓ Have the ability to learn quickly and multitask
- ✓ Have a passion for teaching and making a difference in the lives of the young
- ✓ A high level of initiative and drive
- ✓ Polished interpersonal and communication skills
- ✓ Prior teaching experience would be preferred
- ✓ The desire to travel around the region
- ✓ Training will be provided for selected candidates.
- ✓ A Class-three driving license (Optional)
- ✓ Singaporean citizen / Permanent Residents

If you have the passion and have what it takes to succeed in our organization, you are welcome to send a copy of your CV preferably with a recent photo to Miss Sumithra @ sumithra@amdon.com
