

**(Cont'd) Research Scholarship Details**

Are you a NUS research scholarship/fellowship/award recipient?

No  Yes (Award Start Date : \_\_\_\_\_; Award Expiry Date : \_\_\_\_\_)

For research scholarship/fellowship/award recipients, the scholarship/fellowship/award will be terminated with the conversion to part-time. If the scholarship/fellowship/award is terminated before the end of the first two instructional weeks, the tuition fee for the semester will not be covered by the scholarship/fellowship/award. If excess scholarship stipend has already been made, scholars will be informed to make the necessary refund. If there is an over-consumption of leave, the appropriate amount will be added to the refund.

Are you in receipt of a NUS research scholarship/fellowship/award which entails you to fulfil the **Graduate Assistantship Programme (GAP)** requirements?  No  Yes

**If yes**, please continue to complete this section.

Number of hours required for completion: \_\_\_\_\_

Number of hours completed: \_\_\_\_\_

Have you completed the required hours of service?

- Yes, I have completed the hours required.
- No (Outstanding hours: \_\_\_\_\_ )  
(Remarks, if any: \_\_\_\_\_)
- Not Applicable (Remarks: \_\_\_\_\_)

As the scholarship/fellowship/award ceases upon the conversion of the candidature from full-time to part-time, tuition fees will be payable by the student. International students would pay the non-Service Obligation (SO) tuition fee rate unless they have arranged to sign and eventually signed the SO agreement with MOE to avail themselves of the SO tuition fee rate. A student who has completed the full (not pro-rated) GAP requirements at the point of conversion is eligible to continue with the SO tuition fee rate without the need to sign the SO agreement.

Please tick one of the following boxes:

- Intend to sign the Service Obligation (SO) agreement so that the SO rate will be payable in accordance to the SO effective term. Applications for SO can only be done at the start of each semester. Please visit the [SO web](#) for more details on the SO Scheme.
- Do not intend to sign the Service Obligation (SO) agreement.
- Not applicable as I have completed the full GAP requirements.

**Important Notes:**

1. International students will not be eligible for a Student's Pass once the candidature is converted to part-time. If their dependant(s) are on a social visit pass sponsored by the University, the pass will also be cancelled. Such students must ensure that they and if applicable, their dependent(s) stay in Singapore on a valid pass.
2. Students who convert their candidature to part-time will no longer be covered under the NUS insurance scheme and will have to ensure that they get their own insurance. Students who convert their candidature to part-time after the fee payment deadline (please refer to this [website](#)) are still liable to pay the insurance premium for that semester.
3. It is compulsory for all full-time students (including those who have submitted their thesis but yet to be conferred the degree) to subscribe to the NUS insurance scheme.

By submitting this form, it will be taken that you have taken note of the content above.
